Material Safety Data Sheet

Fab Fresh Plus

Eye Contact	Flush with water for 10-15 minutes
Skin	If prolonged contact occurs, rinse thoroughly with water. If spilled on clothing, change clothes.
>>> If symptoms persist or reoccur, seek medical attention.	
Fire Fighting Information	
Extinguishing Media	CO ² , foam, dry chemical
Protection of Fire Fighters	- Specific hazards arising from the chemical mixture. Not known. - Protective Equipment and precautions for fighters: Standard self- contained breathing apparatus (SCBA) and full fire fighting turn-out gear (Bunker gear).
Accidental Release Measure or Spillage	
Personal precaution	NONE
Steps to Be Taken in Case Material is Released or Spilled	Collect with a absorbent substance and the dispose it to a commercial waste.
Handling & Storage	
Precautions to be taken in handling and storing	NONE
Other precaution	NONE
Physical & Chemical Properties	
Physical State	Viscous Liquid
Color	Very Light-Yellow Color
Solubility	Miscible with water
Odor	Standard perfume
Specific Gravity	(H ₂ O=1): 1.04 to 1.09
PH Value	5
Stability & Reactivity	Stable at room temperature
Toxicological Information	Non-Toxic
Ecological Information	Biodegradable. Non-hazardous order of toxicity at relevant environmental concentrations.
Transport	
RTMDR	These products are not regulated when transported by ground.
IATA	These products are not regulated when
